

Dear Patient,

Welcome to St. Cloud Surgical Center, an affiliate of SCA Health. We are pleased that you and your physician have placed your trust in us for your outpatient surgical needs. We look forward to making your stay with us as pleasant and convenient as possible. Your comfort and safety are the priority of the staff.

For your procedure, if you will be sedated and receive anesthesia during your visit, we cannot allow you to drive yourself home. It is important that a responsible adult drive you to and from the facility and remain with you for 24 hours following your procedure. Unfortunately, we cannot make any exceptions to this requirement.

When you come to St. Cloud Surgical Center, we ask that you do not bring any jewelry or other valuables to the center. We do ask you to bring a photo I.D. and insurance card(s) with you. Please call your insurance company to verify the St. Cloud Surgical Center is in network and that no prior authorization is needed with your insurance plan.

Payment is expected at the time of service. Please see attached pre-payment letter. We accept cashier's checks, Visa, MasterCard, and Discover. We do participate with CareCredit, if interested you can call 1-800-365-8295 or apply online at [www.carecreditpay.com/pmyp/showSearch](http://www.carecreditpay.com/pmyp/showSearch). **If you have any questions regarding the surgery center's attached pre-payment letter, please contact our business office at (320) 251-8385 ext. 2030 or 1 (800) 349-7272 ext. 2030.**

Please note, the surgery center will bill you for the facility charges only. The bill from St. Cloud Surgical Center will not include the services of your surgeon, anesthesia team, laboratory, and pathology.

We look forward to seeing you and hope to make your stay with us as comfortable as possible.

Sincerely,

St. Cloud Surgical Center Staff
